

TSL Sealing Solutions Limited is committed to protecting and respecting your privacy in compliance with the EU General Data Protection Regulation (GDPR).

The company adheres to the following principles to ensure personal data is handled responsibly and transparently:

- **Data Collection:** Personal data is collected and processed only where necessary to provide services, fulfil legal obligations, or for legitimate business interests. This may include your name, contact information, company contact information, email addresses, phone numbers, delivery or billing addresses, and communication records.
- **Lawful Basis for Processing:** All personal data is processed lawfully, fairly, and transparently based on consent, contract, legal obligation, and legitimate interests.
- **Data Use and Storage:** Your personal data is used solely for the purposes it was collected, such as delivering services, communicating updates, complying with legal and regulatory requirements, and facilitating transactions. Personal data is retained only as long as necessary for these purposes.
- **Data Sharing:** Data is not sold, rented, or shared with third parties except when required to fulfil contractual obligations, mandated by law, or with trusted service providers operating under strict confidentiality agreements. This may include sharing with OEMs or suppliers, and third-party service providers like Transpact and Wix.com Ltd.
- **Your Rights:** Under GDPR, you have rights to access, rectify, erase, restrict processing of, and object to processing of your data, and to data portability. You may also withdraw consent at any time.
- **Security Measures:** Robust technical and organizational measures are employed to safeguard personal data against unauthorized access, loss, or misuse.
- **International Transfers:** While data is primarily stored in the UK, if transferred outside the UK/EEA, appropriate safeguards such as UK Addendum to the EU Standard Contractual Clauses (SCCs) or transfers to countries with adequacy decisions will be ensured.
- **Complaints:** If you have concerns about data handling, you have the right to lodge a complaint with a supervisory authority.
